Re: Cases NO: 2015-000188 And  
NO. 14-7609  
(1:14-CV-00278-RMG)

Dear Attorney: Mr. Eugene Corrigan III, How are you sir, There are some illegal issues I want you to know that you may not know about, AS A FACT: The two cases above is an Exhibit A-1, That I, (Mr. Stanley Linder) is in fact a victim of Prejudice, Discrimination, Racism and Cruel and unusual Punishment!

All the facts are here,

You do not have a thing to do with case number (1:14-CV-00278-RMG,) But your boss - The S.C. Attorney General is in charge of both cases because he is the Attorney General and all cases Criminal cases come through Mr. Alen Wilson, What was a dependency by the South Carolina Attorney - Mr. Alen Wilson, Hearsay evidence is to believe that: Former Assistant Attorney General: Mr. Matthew J. Friedman, Was in fact influenced by Mr. - Alen Wilson to "Cause in fact" violate the STATE and FEDERAL Constitution by scandalizing and disseminating my family and I personal - I.D. and personal information to convicted felons or criminals causing me, to get beat up!, injured by having a front tooth knocked out!, with two (2) more loose!, A Retaliation against me same to be premeditated by our very own STATE ATTORNEY GENERAL: Mr. Alen Wilson, Common

Sense, I will not file action against a person as he or no one had they done me no harm or wrong, Mr. Corriean, this is a Supreme Matter what the Attorney General had done to me and family members, who never committed a crime. Every one I know who'd this happened to is African American Men, NOTICE: An Inmate told me Tuesday 14, 2015, The same had happen to him and he told the guy to fear up and burn his in-formation before he let someone get a hold to his stuff!. He is the Fifth Person I'd encountered, with my Problem concerning Mr. Matthew Friedman and possibly Mr. Alen Wilson.

All Five men is lack knowledge that they had-have a Civil Complaint but I am concern about my own business, Mr. Corriean, I worked for every thing I had what little I had when I became a man, I Never had a Gun or drug Charge, I am in jail because I was too nice, My Occupation was a TRUCK Driver, when I go to work my EX-ferncee and her daughters was Prostitution my house, Christian neighbors had watchfull eye for me when I go to work for at least TWO-FOUR weeks, MY Fleet Manager gave me a drive by and I caught the activity, in action, To make a long story short,

I had to disappear in order for they to have their way, That's why if I'm successful they'll never know why, my visitors tell me, they (victims) are worried about unknown bills and bill collectors calling, writing and coming by the house, know one knows why but me, Matthew Friedman and Mr. Alen Wilson, Inmates and I, ask the question, "Why did he do that?" I don't know.

You don't know, Mr. Alen Wilson may not know, but why is he trying to protect someone he fired for doing something wrong? or did Mr. Friedman Quit or gotten promoted. SO, I want to let you know, I don't want to have this mess into the media if we can get around it; if necessary. Here are factual exhibits I can prove with or with<sup>out</sup> and attorney, SCDC witnesses, Three are staff members.

Mr. Allen Wilson knows A Case worker mailed our documents back to his office in 2011. He know that, or she <sup>SL</sup> ~~or she~~ will be subject to testify that, in Court of LAW.

Exhibit #2. The officer who confiscated the papers, said He will witness that.

X Exhibit #3. I have COPIES of the information sent by the Atty. General.

X Exhibit #4. Driver's License Numbers.

X Exhibit #5. Social Security Numbers.

X Exhibit #6. Home addresses.

X Exhibit #7. Home Phone Numbers.

Exhibit #8. Grievance, I'd filed on one Case worker for taking one of the papers when I tried to get a copy, said "Mr. Matthews told her to confiscate them if I come to get copies."

X Exhibit #9. Evidence I was blist by Gang Member in a fight, because of what the Attorney General: Mr. Allen Wilson and Mr. Matthew J. Friedman caused, scandalizing my personal information along with current indictments.

X Exhibit #10. False incarceration §17-25-10, ScheCODE OF LAW, Attorney General: knows all about this!

X Exhibit #11. NO RULE 5 MOTION Discovery and Brady Materials

X Exhibit #12. Def. Counsel Never Requested for Brady Material,

X Exhibit #13. Counsel flat out lied under oath and did not caught in his LY, but Judge: D. ~~Craig~~ Brown still Rule in Counsel behalf at the PCR Evidentiary hearing!!!

X Exhibit #14. Def. Attorney and Solicitor withheld exculpatory Evidence such as A video by one victim which could had exonerated ME,

X Exhibit #15. NO Medical Report that will prove LINDER did CSC of any Level.

X Exhibit #16. NO DNA evidence of (CSC) Criminal sexual conduct,

Exhibit #17. NO witness for STATE or Solicitor,

Exhibit #18. Def. Attorney failed to quash indictments.

X Exhibit #19. Arresting officer testified under OATH, "She don't have any evidence against Mr. LINDER At Preliminary Evidentiary Hearing. in MAY-2008."

No evidence the state had or have to support LINDER'S conviction,  
High V. State, 300 S.C. 88 386 S.E.2d 463 (1989),

NOTICE: Colleton County send A DNA TO North Carolina TO BE  
Tested because SLED would not do the testing. But this  
Document specify: (It further appears that, said testing is  
critical to the STATES Prosecution of the above-caption indictments  
against the Defendant Stanley Linder.)

Mr. Corrigan III, I kinda believe Mr. Wilson don't know about all  
this Prejudice against me. I have that ORDER FOR DNA  
testing Document in my files. Along with a SLED and Court  
Administration Documents stating "There are no evidence against  
Mr. Linder". So, What kind of evidence did they look to the Grand  
Jury to get an indictment? But the indictments is not File Stamped;  
True Bill!. Lastly, I wonder does Mr. Wilson know that I was  
Tried in A small Room, hidden away from General session Court  
Room and Coerced to Plead Guilty!!

My Family saw me being escorted  
through the Courtroom and never saw me again,  
I want the attorney General to do something about this, and know about  
this stuff. - How I was prejudiced. And I will promise I'll END  
The Rebuttal and Discriminating Case Against HIM!

Thank you for your time Mr. Corrigan III,  
Maybe you can help both: Petitioner  
and Defendants.

MR. ATTORNEY GENERAL: How  
can I forget how the judge,  
solicitor, my so call  
attorney and a deputy  
laugh at me after a  
guilty plea. in April 1st,  
2009.

Sincerely: Stanley Linder

: DIRECTOR :

Dear Honorable: Madam, Kitchings,

Please find enclosed letter or Documents sent to

Mr. Eugene P. Corrigan III, And Filing in your office,

Mr. Corrigan III is The Defendant's Attorney and

I am A Pro se, litigant or appellate, Inmate, Specifying

The TRUTH, along with Evidence and Exhibits in Two (2)

Cases, Although Mr. Eugene is a Professional Attorney and

I am an Inmate fighting injustice alone, without an Attorney

Should not deprive me of a Right, To bring actionable suit

against (2) State employees who would be reservation of sovereign immunity under Eleventh Amendment, in Statute Waiving immunity for specified TORT when Suit is brought in state court preclude suit on mistreatment claim of Prison Inmate against state employees in their individual capacity, when he or they scandalized and disseminated all of MY personal information to convicted criminals or any citizens of The United States or any country that has, can and will inflict harm to me and my family, You just don't give away people social security, and Driver's License's number, IF you go online and pullup my SCDC information you would not see my social security number and Driver's license #, Displayed on the screen, Besides, my two (2) Daughters and their Aunt's information is disseminate in the hands of the public, I have already lost a tooth and two (2) others knocked loose for being in a fight because of what defendants cause in FACT, I have security on my side now, but all of my personal information IS OUT THERE.

S

Should The Courts in This State overlook This or these issues only because The Defendants are who they are? I would leave this question for the Courts To Answer.

My biggest worries, is people can dig into my Bank account by having my SS#. Learn where I live, work at, etc. Driver's license #, They can work wonders, make Fake I.D's.

Sincerely: *Stanley Rinder*
