Appellate Case No. 2015-001273

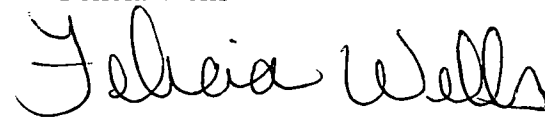

July 28, 2015

To whom it may concern,

Felicia Wells as appellant to case # 2015-001273, am asking the court of appeals to reinstate my motion to appeal the case because I have requested my transcripts in a timely manner and paid for them twice. I have been told by the administrative court of appeals that the court reporter has sixty days to respond after receiving money orders. Judges order was signed June 2, 2015. I received a copy of this on June 11, 2015.

Sincerely,

Felicia Wells
