To Whom It May Concern,

I was notified by letter on June 27, 2015 that I would need to disclose my legal representation and whether it is through an attorney or pro se, by July 25, 2015. In reference to that letter and case number: 2015-001273, due to the fact that I had a difficult time locating representation in Columbia, South Carolina, the Postmaster General's Office is in the process of finding a federal attorney to represent me for these motions and foreclosure matters. Hopefully, you are aware that I do not have the transcripts yet. I was told by the court administrator that the court reporter had up to 60 days to get these transcripts to me. I have done everything that was asked of me in a timely manner, so please; can we handle these things first things first?

Sincerely,

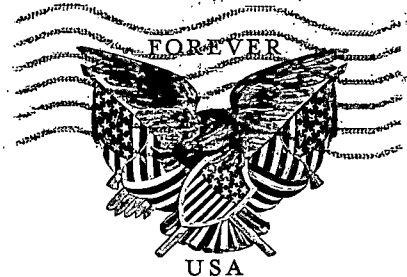

Felicia Gaye Wells
