Re: The State v. Terry Hall  
Appellate Case No. 2014-002066

Dear Counsel:

The Court is in receipt of your motion objecting to the appellant's record on appeal. According to our records, we have not received a proof of service of the record on appeal. Our records show the next thing due to be served and filed is the appellant's initial reply brief, if one is to be filed, due no later than August 3, 2015. Accordingly, your motion is considered moot and this Court will not take any action on it. However, should there be a problem with the record on appeal when it is properly served, you may bring this to the Court's attention by filing a motion.

Very truly yours,

*V. Claire Allen, Deputy*
