The Reply Brief of Appellant in the above appeal was initially due to be served and filed on July 20, 2015. Due to counsel's heavy case load and upcoming deadlines, Appellant requested a 30-day extension to file the Reply Brief, which would have extended the deadline to August 19, 2015. This was the first extension request for the Reply brief in this case, and it was not intended for the purpose of delay.

This Court granted the extension request to file the Reply Brief until July 30, 2015, pursuant to its Order, which was filed on July 29, 2015 (the "Order"). The undersigned did not receive the Court's Order until July 31, 2015. Appellant now requests an extension until August 19, 2015, to file a Reply Brief. Appellant requests such extension because of the undersigned's current heavy case load, which includes, along with her regular caseload, the filing of two Returns to Petitions for Writs of Certiorari in the South Carolina Supreme Court in the cases of *First National Bank v. Callihan*, Appellate Case #2015-001503, and *Capital Bank v. Charles Moore*, Appellate Case #2015-001345, which have filing deadlines of August 10, 2015 and August 17, 2015, respectively.

Counsel for Appellant has consulted with opposing counsel, and opposing counsel has consented to the above requested extension.

The undersigned files this Motion by faxing such to the Court and is also filing an original of the Motion along with six (6) copies with the Court by mail. Additionally, the undersigned further requests that the time for filing be held in abeyance pending a ruling on this request.

Respectfully submitted,

Lesley A. Firestone
