Fred Freeman v. SCDC (10)

Dear Mrs. Kitchen:

In response to court letter dated August 14/2012, that notice of Appeal must be accompanied by order and of judgment; please find that undoubtedly there is a problem with this case, where matter will be presented back to Admin Law Court for order pursuant to issue raised on appeal before Admin Law Court,

that in finding this court lack subject matter jurisdiction to hear this case of ACT-1222-11

Christopher D. Florian
