Vs.

Medical University of South Carolina Respondent.

DEPUTY CLERK,

Miss V. Claire Allen,

Miss Allen,

Please find enclosed the documents you requested with,
ORDER GRANTING SUMMARY JUDGEMENT. With Signature of Trial Judge.
Also a copy of my complaint;

My Attorney Mr. Keith Bolus,
without my permission decided to pursue my case on the basis of MUSC
neglect; by not checking my existing Periodontal Disease. This damage was
not active.

I had no problems and a hygienist that cleaned my teeth in February 2015 told me it looked like I was taking pretty good care of my teeth. She said my gums were nice and pink. And all was ok. I said thank you I try. If the Hygienist doesn't find any problems she will leave the note pad blank without any notes. Only if she finds problems she would make a note of it. Other than her charges for her services.

I have told my attorney many times to please send a letter to Honorable R. Markley Dennis Jr. Stating he used a defense that he should not have. As MUSC neglect are not in my complaint. He never did as I ask. I think he was embarrassed about what he did.
