ORDER

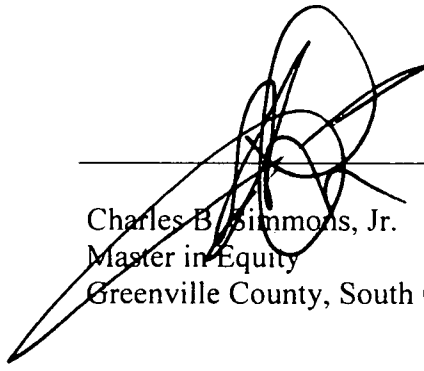

The matter is currently before the Court based upon Plaintiff's Motion to Alter or Amend, filed with the Clerk of Court's Office on July 14, 2015. Plaintiff's Motion, in substance, alleges that the Court did not allow him a full opportunity to present his case or to be heard.

As noted in the record, this is an acrimonious action involving and arising out of the parties' divorce back in 2001 (2001-DR-23-03596). The current matter involves Plaintiff attempting to collect a Judgment against his former wife arising out of the marital litigation.

The matter was before the Court for two separate hearings, one on March 12, 2015, and the other on April 29, 2015. Both parties appeared and participated in each hearing.

The Court has fully reviewed the record, including the above-referenced transcripts, and denies Plaintiff's Motion.

It is so ordered.
