

Dear Clerk of Court Shearouse 8-10-15

I'm sending this letter concerning the current writ of certiorari (appellate case NO: 2014-2314) pending in your court. I had a deadline to have my Re-se Johnson briefs into your court of August 30, 2015 and on that date I was at the BREC mailroom to mail to your court a Third (3rd) request for the enlargement of time to get the briefs written in a manner that satisfies your court as you are able to see my handwriting is very poor and it was taking me forever to get the briefs written properly. I was at the BREC mailroom at roughly 10:30 AM trying to get the proof of service that shows the state was being served with the request for another enlargement of time but the notary ms Susan Foye wasn't at work that day so me and another inmate named James Cobbe who had the

same deadline as me (7-30-15) were trying to figure out how to get our paperwork notarized. I became seriously ill throwing up very violently, being extremely dizzy, my heart rate was elevated very much & BRC medical ended up giving me an i/v due to me being extremely dehydrated. Due to this illness on my deadline of August 30, 2015 I was unable to get the third 3rd request in the mail to your Court by that deadline.

I'm asking this Court to allow me to put my pro-se Johnson brief(s) since the reason that I missed the deadline was something beyond my control and I shouldn't be penalized for something I had no control over. So can your Court allow me to put my pro-se Johnson brief(s) in for the Court to consider on the current writ of certiorari pending in your Court.

I can produce at least 6 witnesses to this event along with what was written in the logbook at medical on 7-30-15.
