Re: Still v. DHEC, Sumerel – Appellate Case No. 2015-000700

To Whom It May Concern:

I am in receipt of your letter dated August 10, 2015 regarding the Lisa Sumerel and Sumerel Poultry Farm initial brief and designation of matter. I received the letter on today's date. The Sumerel's and Department of Health and Environmental Control (DHEC) have agreed to file a joint initial brief and designation of matter. I have remained in contact with counsel for DHEC and I was aware of his family emergency that required an extension of time to file the initial brief and designation of matter. It was our intentions to include Sumerel Poultry Farm on the extension since we are filing a joint initial brief and designation of matter. If this does not meet your approval please let me know and I will be glad to file a motion for extension of time that coincides with the extension afforded DHEC.

If you should have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Thomas E. Hite, III
