RE: Boykin et al. v. Burton et al., Case No. 2015-001556
Confirmation of Transcript Order

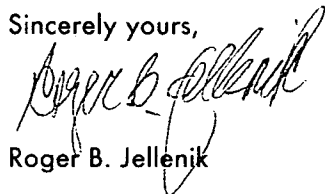

Dear Ms. Jackson:

This letter confirms my July 27 request for a transcript of the April 6 hearing in Case No. 2013-CP-28-00876 during the Fifth Circuit Court of Common Pleas motion term before Judge Lee in Kershaw County. Please proceed with preparation and delivery of that transcript within 60 days of your receipt of payment in accordance with Rule 207(a)(2), SCACR. As noted in your August 5 email, I understand that your invoice will be \$3.25 per page for 25 pages plus shipping cost of \$5.75 for a total payment due of \$81.25. Enclosed please find a check in the amount of \$81.25.

As implied in my August 6 email, I had hoped to submit a single order and payment for both paper and digital transcripts; however, I did not receive a reply to that email. Accordingly, in addition to the order and enclosed payment for the paper transcript, please advise as to whether there is any additional charge for the digital transcript in .txt format; if so, I will promptly remit the payment required for that purpose.

Thank you for your attention to this matter.

Sincerely yours,

Roger B. Jellenik

Ms. Jackson:

Thank you for your email below. You are going to receive two letters sent this afternoon. The first one is dated August 12 and doesn't have a check in it. The second one is dated August 10 and does have a check in it for \$81.25. Throw out the first one; it's the product of me trying to get something done without sleep and with the flu or something equally enjoyable. Sorry for that confusion. When you know whether I owe you more, just let me know, and we will send you a check for whatever the balance is.

One more thing: The delay in ordering this transcript has resulted in me getting a letter from the Court of Appeals Clerk's office requiring me to file a motion with copies of our correspondence or face dismissal of my client's appeal. I will send you a copy of what I file so that you can keep abreast of what's going on. Hopefully, this whole issue will turn out to be much ado about nothing.

Thanks again for your email and your assistance, and have a pleasant evening.

I apologize for not responding sooner. I was trying to obtain information concerning the cost of .txt transcripts. There is an extra fee for that. It is around \$20.00 extra. The previous amount that I quoted on the transcript is an estimated amount. It may be more or less depending on the number of pages. I will only know once it is completed.

You will be notified of the exact amount once the transcript has been completed.

Thanks,
Crystal Jackson

Ms. Jackson:

I am not aware of any reply to my August 6 email below regarding any extra pricing applicable to your delivery of a digital copy of the transcript in question in .txt format. However, in order not to delay matters further, this email confirms my July 27 request for a transcript of the April 6 hearing during the Fifth Circuit Court of Common Pleas motion term before Judge Lee in Kershaw County. Please proceed with preparation and delivery of that transcript within 60 days of your receipt of payment in accordance with Rule 207(a)(2), SCACR. As noted in your August 5 email below, I understand that your invoice will be \$3.25 per page for 25 pages plus shipping cost of \$5.75 for a total payment due of \$81.25. I will prepare and forward to you later today a formal letter confirming this order and enclose with it a check for the \$81.25 due.

As to the digital copy in .txt format, please advise as to whether there is any additional charge for it; if so, I will promptly remit the additional payment required for that purpose.

Thank you.

Ms. Jackson:

According to available records, you were the Court Reporter during the April 6 Fifth Circuit Court of Common Pleas motion term before Judge Lee in Kershaw County. As a result of that hearing, Judge Lee granted a motion by the opposing party to enforce a mediation, and my client recently filed a Notice of Appeal of that decision. Accordingly, I would like to order one or more copies of the transcript of the April 6 hearing in Case No. 2013-CP-28-00876 (Boykin et al. v. Burton).

Please feel free to contact me by telephone or email, and thank you in advance for your assistance in this matter.
