IT IS ORDERED AND ADJUDGED: See attached order (formal order to follow) Statement of Judgment by the Court:

This matter came before this Court on Plaintiff's Motion for Judgment Notwithstanding the Verdict, filed on March 12, 2014 and set before this Court on March 2, 2015. This matter was originally heard in a jury trial in front of the Hon. Stephanie McDonald in March of 2014, but was mistakenly set before this Court's non-jury motions roster. By agreement of the parties, this Motion will be determined by this Court and not the original trial judge through the submission of the transcript and memorandums by both parties. The Plaintiff was given 30 days to submit the transcript and memorandum in support of its Motion, and the Defendant was given 30 days to respond. This Court then granted the Defendant a 15 day extension.

After review of the documents and the transcript, this Court hereby denies plaintiff's motion for judgement notwithstanding the verdict. This Court has examined the trial record in a light most favorable to the non-moving party, and has determined that there were multiple inferences that could be drawn from the record. This Court finds that the jury verdict in this case was a reasonable result given the facts presented to the jury, and that the jury verdict should not be disturbed.
