Motion For Page  
Increase

Please accept this letter as a proper motion to the Supreme Court requesting a Page Increase for my Reply to Petition for Writ of Certiorari. I am the named Petitioner in the above referenced P.C.R Appeal. Due to the complexity and voluminous testimony and evidence introduced during trial and P.C.R. evidentiary hearing, warrants a more in depth litigation on the issues in order to effectively reply to the Respondent's Return to Petition for Writ of Certiorari, which resulted in a Reply that is more than fifteen (15) pages. I ask that you consider all of the above and grant this motion for Page Increase.
