P. 30 FN

An individual has a right to request a register of deeds or clerk of court to remove, from an image or copy of an official record placed on a publicly available Internet web site or on a publicly available Internet web site used by a register of deeds or clerk of court to display public records, any social security, driver's license, state identification, passport, checking account, savings account, credit card, or debit card number, or personal identification (PIN) code, or passwords contained in an official record. The request must be made in writing and delivered by mail, facsimile, or electronic transmission or in person, to the register of deeds or clerk of court. The request must specify the identification page number that contains the social security, driver's license, state identification, passport, checking account, savings account, credit card, debit card number, or personal identification (PIN) code, or passwords to be redacted. There is no fee for the redaction pursuant to request."

Additionally, the inclusion of social security numbers, names of minor children, financial account information and home addresses is further restricted by Order of the Supreme Court dated August 13, 2007, entitled "**Interim Guidance Regarding Personal Data Identifiers and Other Sensitive Information in Appellate Court Filings.**"
