Re: William Gregg v. State
Appellate Case No. 2015-001802
Lower Court Case No. 2008CP4302479

Dear Counsel:

Please be advised that your client has filed a *pro se* notice of appeal in this matter. A copy of the cover letter, notice of appeal, and proof of service is enclosed. I remind you that you remain his counsel of record before this Court. Rule 71.1(g) of the South Carolina Rules of Civil Procedure (SCRPC); Rule 264 of the South Carolina Appellate Court Rules (SCACR).

This case has been assigned the appellate case number that appears above. Please use this number on all future correspondence relating to this matter.

All parties to this matter are advised that all filings must comply with the requirements of Rule 267, SCACR. The SCACR are available online at www.sccourts.org/courtreg. Additionally, any filings submitted by counsel admitted in South Carolina must include counsel's bar number.

The attention of the parties is directed to the order relating to the inclusion of personal data identifiers and other sensitive information in documents filed with the Supreme Court of South Carolina and the South Carolina Court of Appeals.

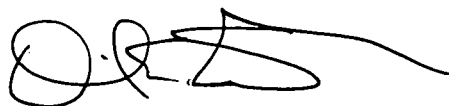

The order can be found at www.sccourts.org/courtOrders/displayOrder.cfm?orderNo=2014-04-15-02. Please note that the responsibility for insuring that information is redacted or sealed as required by this order rests with counsel and the parties. This office will *not* review filings for redaction or to determine if materials should be sealed.

For this matter to proceed, it will be necessary for you to provide this Court with the following information, within fifteen (15) days of the date of this letter:

- (1) The date of which you received written notice of entry of the final order in this case. This order is dated May 13, 2015, and apparently was filed with the clerk of the circuit court on May 18, 2015.
- (2) Petitioner makes reference to a motion filed under Rule 59, SCRPC, in the cover letter.¹ If the circuit court has issued an order on this motion, you will need to provide this Court with a copy of that order. If no order has in fact been issued on this motion, then you can simply advise this Court of that fact. Additionally, I ask that you please address whether this *pro se* motion was proper under *Miller v. State*, 388 S.C. 347, 697 S.E.2d 527 (2010).

I thank you in advance for your response.

Very truly yours,

CLERK
