Appellate No.: 2009-141246
Civil Action No.: 2008-CP-23-5245
RPR File No.: 3548-005

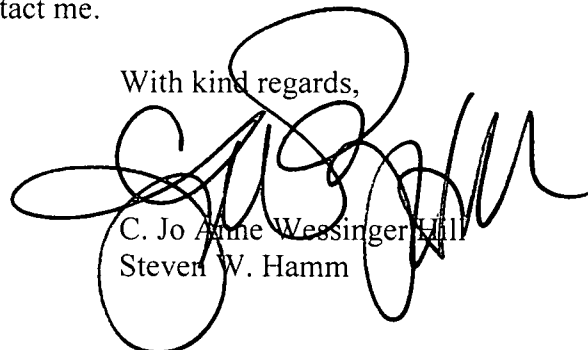

Dear Mr. Shearouse:

On Friday, August 28, 2015, we filed a Petition for Writ of Certiorari with the Court. We have discovered that this Petition contains a typographical error on page 20 and that references to "Appellant" should be changed to "Petitioner" on the cover page and within the petition. The typographical error appears on **page 20, line 17** whereby "or" should be "for." The line reads "...order refusing BREC motion **or** a new trial..." This line **should** actually read "...order refusing BREC motion **for** a new trial..."

We have respectfully included an Amended Petitioner for Writ of Certiorari, together with six (6) copies, and two (2) copies of an Amended Appendix for substitution and correction as noted above.

Thank you for your attention to this matter and for your assistance. If you should have any questions, please do not hesitate to contact me.

With kind regards,

C. Jo Anne Wessinger Hill
