Re: Henry Lee Carroll, II v. Alex Webb Causey
Appellate Case No. 2014-002585

Dear Mr. Moore:

Upon reviewing your record on appeal, appellant's final brief and final reply brief, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, pursuant to your conversation with a member of my staff this morning, the caption is incorrect in that only Stacey Jenkins is the actual respondent in this case. It is my understanding that you intend to file a motion to correct the caption and then to correct the caption on the original and all copies of your record on appeal and final briefs by applying labels.
- Both your appellant's final brief and final reply brief are not accompanied by the required certificate of counsel.
- A proof of service has not been provided with your appellant's final brief and final reply brief. You must serve and file proofs of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

Very truly yours,

V. Claire Allen, Deputy
