RE: Bagley v. SCDPPPS(2), Appellate Case No. 2015-000478

Dear Madam Kitchings:

I'm in receipt of a letter from Deputy Clerk V. Claire Allen, dated August 25, 2015, along with my Petition for Review of Order to Exclude Matters Alleged to Not be Presented to the Lower Court, stamped filed received by the Court on July 24, 2015.

Madam Allen's letter stated that the Court declines to take any further action on the petition pursuant to Rule 221 (c), SCACR....."Accordingly, we are returning your filings to you."

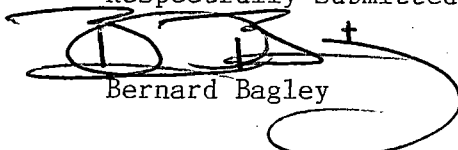

However, Ms. Claire failed to return the \$25.00 filing fee for the same that was withdrawn from my SCDC Cooper Account on 7/31/15. As such, please check into this matter regarding the status of the \$25.00 refund.

Or, in the alternative, attach my name to Lowery v. SCDPPPS, Appellate Case No. 2015-000689, Petition for Review dated July 14, 2015, being that both petitions are conveying the same sentiments with the exception to include repercussion by retaliatory denial is an unresolved issue where politics and parole officials arbitrary and capriciously has continued to deny me placement of parole. Also to include that others that appeared before the parole board have prevailed worse, but the difference is that they were not former police officers.

Please, do not construe this communicate as a motion nor a petition before the Court, just an inquiry pertaining to the \$25.00 filing fee regarding the petition that was returned by Deputy Clerk Allen, a request pursuant to the Freedom of Information Act (FOIA).

Thank you for considering this matter. I'm looking forward to hear from you with your findings and status of the \$25.00 filing fee submitted to the Court on 7/31/15, at your earliest convenience.

Respectfully submitted,

Bernard Bagley
