On February 12, 2015, Appellant was granted additional time to file an Initial Brief. Appellant filed her initial brief on March 18, 2015, and on April 15, 2015, Respondent filed its Initial Brief. Pursuant to Rule 210, SCACR, Appellant was to serve a copy of the Record on Appeal on or before May 15, 2015. On June 4, 2015, after Appellant's failure to file the Record on Appeal, Respondent filed a motion to dismiss appeal, and Appellant, on or about June 11, 2015 filed a Motion for Extension to file the record on appeal. On July 24, 2015, this Court denied Respondent's motion to dismiss and Appellant was granted an additional 30 days to file and serve the record on appeal. Said Order stated that the "failure to do so may result in the dismissal of this appeal".

Appellant has now filed a second motion for an extension to file the Record on Appeal and Final Briefs.

ARGUMENT

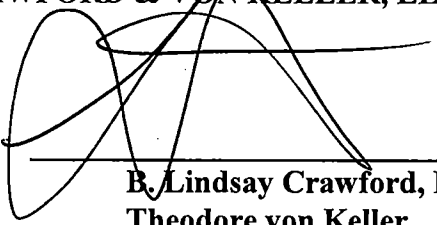

Pursuant to Rule 210, SCACR, that within thirty (30) days after service of the last initial brief, the appellant shall serve a copy of the Record on Appeal on each party. Pursuant to the July 24, 2015 Order of this Court, the Appellant's first motion for extension was granted and the Appellant was given an additional thirty days from the date of said Order to file the record on appeal and proof of service. In response to the July 24, 2015, Appellant has filed a second Motion for Extension with no supporting documentation or authority. Accordingly, Appellant has not timely filed the Record on Appeal.

CONCLUSION

For the reasons stated, Respondent respectfully requests that the Court deny the Appellant's Motion for Extension to file the Record on Appeal and further requests that the Court dismiss this matter.
