Re: Wells Fargo v. Delores Prescott
Appellate Case No. 2015-000349

Dear Chief Judge Few and Ms. Kitchings:

We represent Respondent in the above-captioned appeal. Our client's brief and designation of matter are currently due on September 15, 2015, and that deadline has not been extended previously. Because we did not receive Appellant's opening brief until nine days after the proof of service suggests it was mailed, and because of a scheduled upcoming trial in federal court with an anticipated duration of three weeks that will occupy most of the month of October, we respectfully request an extension of 60 days to file Respondent's brief and designation of matter. If granted, our client's new filing deadline would be November 16, 2015.

We recognize that this is longer than the traditional request for a first extension, but appreciate the Court's consideration of it in light of our current case load. Enclosed is a check for \$25 for the filing fee associated with our request. If we can provide the Court with any additional materials or information, please do not hesitate to call on us.

With kind regards, I remain

Very truly yours,

M. Todd Carroll
