APPEAL FROM SUMTER COUNTY
COURT OF GENERAL SESSIONS

W. Jeffrey Young, Circuit Court Judge

CASE No. 2013-GS-43-00239

The State of South Carolina.....Respondent

v.

Gary R. Dargan.....Appellant

MOTION FOR ENLARGEMENT
OF TIME

The Appellant in this case, Gary R. Dargan, respectfully motions this honorable Court to enlarge the time deadline to file the Appellant's Pro Se Brief pursuant to Anders v. State of California, 87 S.Ct. 1396(1967). The Appellant requests an enlargement of forty-five (45) days. This forty-five (45) days enlargement will extend the present deadline date of September 14, 2015 to a new deadline date of October 29, 2015.

The Appellant makes this request in good faith and with every intention to assist judicial economy by presenting this Court with articulate and coherent and concise legal arguments to allow this Court to review this case efficiently. The Appellant offers the following good cause shown:

1) The objections, rulings and issues involved in this case are complex and involve intricate legal principles which are formidable concepts for a layman, like the Appellant, to grasp and understand in the current forty-five (45) days deadline. An additional forty-five (45) days will go toward to cure this disadvantage.

2) The law library at Broad River Prison is scheduled to accommodate prisoners to use but the accommodations are sorely lacking at times such that admission to the law library is hindered and limited, even with those prisoners with deadlines like Appellee. An additional forty-five (45) days will go toward to cure this hindrance and limitation.

3) The Appellant make this request in good faith and with the utmost respect for judicial economy and efficiency.

WHEREFORE the Appellant prays this Court grant an enlargement of time for forty-five (45) days to create a new deadline of October 29, 2015 by which to file the Pro Se Anders Brief to the S.C. Court of Appeal.
