

The South Carolina Court of Appeals

The State, Respondent,

v.

Gerald Demetrice Edwards, Appellant.

Appellate Case No. 2015-000389

ORDER

After careful consideration of Appellant's motion, which we construe as a petition for rehearing of the dismissal of this appeal, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
