SC Court of Appeals - 2015

To Whom it may concern,

I Larry Cook am filling and appeal on the fact I had poor representation and also I fill like the judge was harsh because of my back ground of a stalking charge which I am in the motions ~~of~~ of getting it taken care of. I plead on the mercey of the court for an appeal. I know I walked away from the officer when he said stop and I am sorry but I did not put up no kind of fight. I walked off because I just needed to breath. Me and my older brother was arguing about him keeping the yard and all clean and about him smoking pot around in 4yr old girl. We all work on cars in our family but he lives in my grandmas house with was hitted down to my mom and Aunt when she died. Therit is a home ~~god~~ give's you and ~~he~~ I was preaching and telling him to clean up and take care of what GOD give you! When you pull up in the yard there junk parts and motor oil spilled every were! Now on the busted sprinkler I did not mean to bust in and I also

paid for it and the labor to have
it replaced! I am very sorry I
busted and you can ask how I behaved
the time I spent there. Now if I can
speak about my brother's ~~bro~~ Jamie Gilbert's
4 yr old daughter Karmia I was also telling
she should be in school and needs her
shots. He get mad at her and whips
her for no reason, and also talks down
~~her~~ to her when he is in a bad mood.
ANY way I'll will consider my self
I + would be a blessing because I
I am ready to go to collage and
get my master DSL papers and
open me another shop. please and
thanks
