Appellate Case No. 2015-001358

Petition for rehearing

RECEIVED

SC Court of Appeals

I asking the court to rehear my case that was dismissed for fail to timely serve the notice of appeal I am asking this in the interest of justice and fairness so that due process may be in the South Carolina workers compensation commission and common pleas court and rule of law may be always followed by all court of South Carolina. I realize that it was my fault that the case got dismissed. I ask the court to reinstate the case for the simple fact that due process is a must in all courts and for the claimant and defendant. Due process is a the constitutional right of all United States citizens. I would like to ask the court that all parties meet in a hearing off the record to explain to the court how this happened. The parties that would be there are Erin Hantske, Brian O'Keefe, Gene McCaskill, Keith J. Roberts and Carmen T Mullen.
