

# The South Carolina Court of Appeals

Lake City College Preparatory Academy (LCCPA),  
Appellant,

v.

South Carolina Public Charter School District,  
Respondent.

Appellate Case No. 2014-002372

---

## ORDER

---

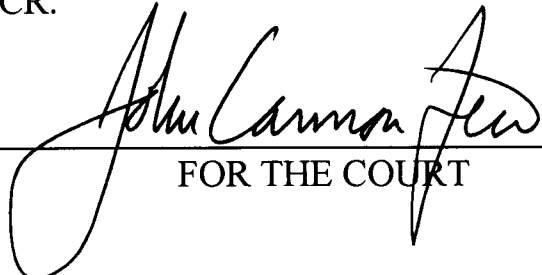

This appeal was dismissed on April 29, 2015, due to Appellant's failure to serve and file the record on appeal as required by Rule 210 of the South Carolina Appellate Court Rules and this court's letter of April 15, 2015. Appellant subsequently served and filed the record on appeal and filed a motion to reinstate, which this court granted on June 23, 2015.

On June 30, 2015, this court notified Appellant of several deficiencies in its final brief and final reply brief and explained that the deficiencies must be corrected within ten days. To date, Appellant has not corrected the deficiencies. On July 1, 2015, this court notified Appellant that the caption on the record on appeal was incorrect and the record was not accompanied by a certificate of counsel. Although Appellant has corrected the caption, Appellant has not provided the certificate of counsel.

On July 13, 2015, Respondent filed a motion to dismiss appeal, noting that Appellant has failed to comply with this court's deficiency letters and also arguing the record on appeal is "replete with errors." Respondent explains that pages 212 and 213 of the transcript of the administrative proceeding are missing from the record, and Volume IV of the record contains confidential information about students that was not included in the record before the Administrative Law Court. Appellant filed a return on July 23, 2015, alleging he would make any corrections

and redactions needed. Appellant, however, has not made any corrections as of the date of this order.

Accordingly, due to Appellant's failure to comply with the Appellate Court Rules and this court's deficiency letters, this appeal is dismissed. The remittitur will be sent as provided in Rule 221, SCACR.
