Re: State v. Christopher D. Campbell, Appellate Case No. 2014-002339

Dear Ms. Kitchings:

The initial brief of appellant and designation of matter in the above referenced case was served and filed with the Court on June 22, 2015. However, counsel would like to amend the designation of matter by adding State's #21 (photo) and removing State's Exhibits #22 (shoe) and #23 (shoe). In reading the transcript, I believed that State's Exhibits #22 and #23 were photographs of the shoes. I did not realize the exhibits were the actual shoes. I do not believe this Court needs the actual shoes to review the issue; however, I do believe the Court needs a photograph of the shoes. When the Attorney General's Office requested the designated exhibits from our office in order to prepare the initial brief of respondent, I realized my error. I apologize for this error.

As indicated by his signature below, Mark R. Farthing, of the Attorney General's Office, consents to this request.

Sincerely,

Susan B. Hackett
Appellate Defender
