Re: Jack Powell v. Carolina Center
Appellate Case No. 2015-000049

Dear Mr. Powell:

Upon reviewing your appellant's initial brief, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your initial brief will not be considered and your appeal may be dismissed:

- The initial brief is not accompanied by a designation of matter to be included in the record on appeal. The designation of matter must be in compliance with Rule 209 of the South Carolina Appellate Court Rules. The designation of matter must be served and filed within ten days of the date of this letter and must be accompanied by a motion requesting that the Court accept it out of time.
- This is not the appropriate time to file exhibits and the transcript with the Court. These attachments are being returned to you. Please see Rule 210, SCACR, for guidance on when to file this information with the Court.

Very truly yours,

V. Claire Allen, Deputy
