Hi, Precious. Court Administration said that you are the one that should be forwarding a copy of the transcript to the Court of Appeals. Maybe it's done differently in Georgia. I do not recall if I sent you an etranscript, but if you would like/need, just remind me of the date of this case and I will forward a copy to you so that you can send it to the proper place. If there's anything else I can do, please let me know. Thank you. Karen

Hi, Precious. I'm sorry I haven't responded to this. I've never received a request like this. I think usually the attorney forwards their copy. I'm in the process of moving, so my responses are delayed. I have to check with court administration to see the proper procedure.
