I, Turkvant, Sylvia, one of the Title Holders and Beneficiaries of SYLVIA TURKVANT motion this Court to Stay Writ of Assistance based on the fact that this Court has violated all of my unalienable rights and constitutional rights with their administrative procedures. This Court is limited to a Corporate Charter and does not have the authority to order me to be ejected from my home. This Court is a Corporation that is listed on the Dun and Bradstreet as a trading corporation. The Court and the Plaintiff's Attorney has violated many Federal Income Tax Laws in this case by refusing to fill out a W9, 4490, 1099A, 1099B, 1099C, 1099OID, IRS Form 8281, including but not limited to Treaty Series 8281, the RICO Act, Tax Fugitive Act, Smith Act, Sherman Antitrust Act, Taft-Hartley Act, Deceptive Business Practice Act, Trading with the Enemy Act, Alien Registration Act, Breach of Trust, Internal Security Act, Trespassing, Stealing Federal Fund and taking 40% of Taxpayer fund and placing it into a Capital Account. These violations are being reported on an IRS Form 211 and an IRS Form 3949A as well as to the Security Exchange and Dun and Bradstreet.

The Calhoun Sheriff Department is being brought into your activities without full knowledge of this Courts deceptive practice. The Sheriff Department is unaware that they are being instructed to participate in a RICO Activity.

WHY IS THIS A RICO ACTIVITY?

This case involves a mortgage loan, in which a promissory note was issued. The note was securitized and converted to a security. So when I defaulted on the loan, the attorney took the account and filed a case against me for foreclosure, claiming that the note was in place as it was the day I signed it, but knowing very well that it was converted to a security and this constitutes security fraud, no matter what I place before the court the judge still decided in the favor of the Plaintiff. A sale was held, but no taxes were paid, so therefore with the Corporation working together meaning the Court, the B.A.R Association, and the Bank, knowing very well that they were participating in a deceitful practice to steal my home. With that being said they are now soliciting the Calhoun Sheriff Department to complete their deceitful practice.

Therefore I move this Court to Stay Writ of Assistance because I discovered that I was never served the initial Summons and Complaint. The way that I found out that I was in foreclosure was when I received a Notice of a Hearing. I pray that this Court will consider and grant me this Motion.
