SC Court of Appeals

Jimmy Long # 197208

Appellant

vs

S.C.D.P.P. 5

Respondent

Petition for rehearing per Rules 221 and 224

this motion will be based upon the following:

On Sept 24, 15 the Appellant rec'd this court's order dated Sept 21, 15 dismissing Appellant's case claiming Appellant had failed to file the proof of service of record on appeal.

Here, Appellant argue that on Sept 8, 15 he mailed his proof of service of record on appeal and his motion requesting permission to file documents out of time which the Appellant also sent this court a letter on Sept 24, 15 informing this court the same. Wherefore Appellant respectfully request this court to reconsider its ruling.
