Re: James A. Sellers v. SCDC
Appellate Case No. 2015-001519
Previous Motion

To whom it may concern:

On August 18, 2015, I filed a Motion with the Court requesting leave to file less than the normally required number of copies for my Record On Appeal, and Final Brief, in the above reference matter. I initiated the process to have SCDC Financial Accounting Division send a check in the amount of \$25 to cover the costs. It has now been five weeks, and I have not gotten a response from the Court.

I signed for my copy of SCDC's Response to the above referenced filing this morning, and by doing so I started the clock on my time limits for filing the next steps. I realized the delay may be caused by SCDC's handling on the check. Please understand that we have been through this before.

I'd appreciate it if you'd check your records, and let me know if you've received the check. Also, I'd like to know the status of my previous Motion. It is relevant to the number of copies I have to supply, and will determine if I'm able to meet court rules.

Thank you for your time, and assistance.

Sincerely,

James A. Sellers
