We plan to lower your monthly Supplemental Security Income (SSI) payment from \$733.00 to \$553.00 beginning August 2015. The amount will change because your other income increased. You will continue to get the new amount each month unless there is a change in the information we use to figure your payment.

We are also changing the amounts you were due for May 2015 through July 2015. Your amounts changed because your other income increased.

We explain how we figured the monthly payment amounts on the worksheets at the end of this letter. The explanation shows how your income, other than any SSI payments, affects your SSI payment. We include explanations only for months where payment amounts change.

Your Payments Will Be Changed As Follows:

From	Through	Amount Due Each Month
May 1, 2015	Continuing	\$553.00

Information About Your SSI Payments

Your regular monthly check of \$553.00 will be sent to your bank or other financial institution about the first day of August 2015.

Your Payment Is Based On These Facts

You have monthly income which must be considered in figuring your eligibility as follows:
