Re: The State v. Sebastian J. Hepburn
Appellate Case No. 2012-213463

Dear Ms. Hodgins:

I'm writing to you inquiring why was there Key components and life changing issues left out of your Anders Brief and your representative that should have been argued or briefed by you as my "APPELLANT ATTORNEY?"

Yourself (Ms. Katharine H. Hodgins), My trial attorney (Mr. Robert Ray), trial solicitor (Ms. Lisa Bentley) and I assume trial judge (Honorable Larry B. Hyman) proceeded with a reconstruction hearing of my trial transcript, the missing portions that wasn't transcribed (Post trial motion, Closing arguments, Pronouncement of Verdict and Sentencing), and both Prosecution (Ms. Bentley) and Defense Attorney (Mr. Ray) got sworn statements (Affidavits) that Mr. Ray in a post-trial motion, renewed his objection as to Mr. Hepburn's statement being admissible. And also moved for a DIRECTED VERDICT in another post-trial motion, and Ms. Bentley concurred that Mr. Ray did move for a DIRECTED VERDICT, that was presented to trial judge.

Rule 19. DIRECT VERDICT

(a) Grounds for motion. On motion of the defendant or on its own motion, the court shall direct a verdict in the defendant's favor on any offense charged in the indictment after the evidence on either side is closed, if there is a failure of competent evidence tending to prove the charge in the indictment. In ruling on the motion, the trial judge shall consider only the existence or non-existence of the evidence and not its weight.

Ms. Hudgins, if its possible that you can present this DIRECTED VERDICT issue in the prayer/petition of rehearing? I thank you and appreciate your assistance.
