Appellate Case No. 2015-001903

RECEIVED

I am filing this appeal on the following facts.  
SEP 30 2015  
SC Court of Appeals

On the above date 9-2-2015 I was offer a six years non-violent sentence on charges of receiving stolen good

I was told by Judge Gibbons if that recommendation wasn't being follow I would be allowed to withdraw my plea and I was denied.

Judge Gibbons also stated to me upon entering my plea that he did not have to go along with the recommendation but he going to accept the recommendation on further to the point when my record been read he state that he change his mind with going along the recommendation and not allow me to withdraw my plea.

In fact my attorney did not explain to me about the judge didn't have to follow along with the recommendation I find this out when the judge state that doing my plea.

My reason for stating yes to everything because my attorney told me that all three of them agree upon me receiving six years non-violent that what they had me believing that what I was going to get.

I really do not understand at that time and still do not understand all I want is the six years that I was promise!

The Judge solicitor and Counsel ineffective on these

Once again I really did not understand anything that  
was going on but what the Lawyer had stuck in my  
Mind receiving Six years Non-violent! I really doesn't know  
right way to write this all I'm doing is fighting for  
my rights and someone to help!
