Case No. 2015-001677

Professional Systems  
Travelers Company

Respondent,

v.

Nathaniel Spann

Appellant.

---

**BRIEF OF APPELLANT**

I, Nathaniel Spann am appealing the case of workman's compensation of the situation that happened in Sears. Someone entered Sears with a blood substance and no one investigated that situation. They had video cameras installed at that time which should have shown who brought the substance in. I would like to know why this situation was not investigated because it was found to have Hepatitis C in it. I want justification for the mistakes that Sears made by not following proper procedure.
