

Notice of Appeal

Docket No. 15-ALJ-~~25-038-ED~~

Edward Spears (Appellant)
v.

SC Court of Appeals

SCDEW

Administrative Court

& Food Lion (Respondents)

9-27-15

I would like to appeal the Judge decision on this case. I think the Judge's decision was wrong and confusing. The Judge said I request a right to file a late appeal. I never requested that in none of my arguments.

I request that the court throw out the motion because the SCDEW were negligent in handling the situation and they committed wire fraud (misrepresenting themselves on the web) which is not only unlawful but also an criminal act.

The court cannot or should not rule in favor of an defendant or respondent who is engage in a unlawful or criminal act.
