

The South Carolina Court of Appeals

Randolph Ashford, Appellant,

v.

The State, Respondent.

Appellate Case No. 2015-001268

ORDER

Appellant has filed correspondence with this court, which we construe as a motion to file his notice of appeal out of time. Appellant's motion is granted, and this appeal shall proceed. *See* Rule 263, SCACR (explaining the time prescribed for performing any act except the time for serving the notice of appeal may be extended or shortened by this court).
