Re: Robert Miller v. Robert Stevenson
Appellate Case No. 2014-001964

Dear Mr. Miller:

We are in receipt of your letter dated September 24, 2015. The copy of the proof of service for the record on appeal you have provided is not acceptable due to the fact that the respondent had not yet served their designation of matter. You could not put together the record on appeal without their designation of matter. Your proof of service of record on appeal should have been filed with the Court. If you do not file the proof of service of record on appeal along with a motion requesting permission to file the document out-of-time within ten days of the date of this letter, your appeal will be dismissed.

Additionally, the traverse filed was construed by the Court to be your appellant's initial reply brief. The documents provided with the reply brief and with the letter dated September 24, 2015 are unnecessary documents. They have no label. If these documents are meant to be construed as the record on appeal, than they need to follow Rule 267, SCACR. Therefore, these documents are again being returned to you.

Very truly yours,

V. Claire Allen, Deputy

CLERK
