v.

CITY OF COLUMBIA, RESPONDENT.

MOTION FOR EXTENSION OF TIME TO FILE PETITION FOR REHEARING

Respondent City of Columbia respectfully requests a 10-day extension of time in which to file its Petition for Rehearing. Due to the flooding event in the City of Columbia, the City and its counsel have been unavoidably delayed in preparing its Petition. Although this request is the City's second request for an extension of time, uncertainty as to conditions in the near future, the mandatory curfews, and the difficulty in consulting with key City personnel as they deal with the flooding disaster are justifiable reasons for this request.
