APPEAL FROM HORRY COUNTY  
COURT of COMMON PLEAS

LARRY B. HYMAN JR. Circuit Court Judge

Case No. 2014-CP-26-01684

Appellant Case No: 2015-001210

Archie Howell,

Respondent,

v.

Christopher Chabot

Appellant,

DBA Autoworks,

**APPELLANT CHRISTOPHER CHABOT'S RESPONSE TO COURTS ORDER  
FOR TRANSCRIPTS**

Now Comes Appellant Christopher Chabot's response to the courts order for transcripts and exhibits.

The court order specified that Christopher Chabot is to supply the honorable court with the status of the transcripts.

Christopher Chabot has received the full transcripts of the original court proceeding in the Surfside Magistrate Court and is full possession of those transcripts and which have been baste stamped and have been included into Appellant Christopher Chabot's Appendix to his initial brief.

There were two dates which there was a hearing in the Court of Common Pleas. The first was October 02, 2014 which was the hearing of the Appellant's appeal which was dismissed. The second was May 07, 2015 in which was the hearing on the motion for reconsideration.

There has been some mix up on the dates of the hearing dates. The second hearing that was on May 07, 2015 was approximately five minutes in the cost was \$9.75 and the court reporter is a Teresa Bautz. The first hearing that was heard on October 02, 2014 was a Natalie Dahl in which the Appellant sent a request but has not heard from her.

The Appellant's brief legal issues stems from the original proceedings in the Surfside Magistrate Court and is prepared to submit his brief and appendix based of the transcripts in the lower court proceedings if need be.

The Appellant is in the mist of finishing his brief and appendix. Attached are the exhibits of correspondence of emails between the Appellant and the court reports.

WHEREFORE, The Appellant asks this honorable court to accept his motion and to proceed with the appeal.

Respectfully Submitted,

Christopher Chabot, Pro Se

Dear Mr. Chabot:

I have received your request for the Transcript of Record in the above-referenced case. Such transcripts cost \$3.25 per page. I have checked my records and have estimated that this record is approximately 3 pages at \$3.25 per page, for a total cost of \$9.75 (or \$44.75 for emailed pdf file).

Upon receipt of your certified check or money order (no personal checks) in the amount of \$9.75 (or \$44.75 for emailed pdf file), I will forward the transcript to you. Hello there, Mr. Chabot:

I did some research on your hearings, and here's what I found. The hearing of 10/13/2014, I was not the court reporter who took your case. I was actually doing a trial that day, so I know I did not take down your case. If you can tell me the judge that it was before on that date, I can let you know who the court reporter was and you can contact that reporter for the transcript.

As far as the hearing from 5/4/2015, it was literally about 5 lines long. Basically, the attorney for the other side, Archie Howell, was there and you did not show up, so your motion was dismissed by Judge Hyman. I will gladly prepare the transcript, but I just wanted you to know it's only going to be 3 pages, the cover page, a page with a few lines of text, and my certificate page. So the entire transcript will only be \$9.75. I called the number on your email to speak to you, but you had left already. But if you would like to discuss this, please give me a number I can reach you at during non-working hours, and I will be glad to give you a call.

I have attached the letter that we usually send for requests, so please follow the directions. If I can be of any further assistance or if you would like to speak about this, please do not hesitate to contact me. Have a great weekend!

We are using the dates the court documents were entered. The 13th was a Monday, it is possible the hearing took place at the end of the previous week. Thursday 10/9 or Friday 10/10 then was entered into the system on Monday. I apologize for the confusion. Could you please check the other dates.

Thank you,  
Chris

Mrs. Dahl,  
My name is Christopher Chabot. I would like to request transcripts of my court case. The hearing date was 10/02/2014 and was heard at approx. 12pm. Please let me know the cost and how long it would take to process.

Mr. Chabot:

Okay, this is strange, but according to the calendar for October 2014, that was an administrative week for Judge Hyman, therefore he did not have any court and there was no court reporter assigned to him for that week.

Sometimes they will hear emergency hearings on their administrative weeks, and if that happens, usually the calendar for that week is updated. It is not updated and is not showing a reporter, so the best way to find that out is to contact the other side's attorney and find out what actually happened, when the hearing was heard and which judge and court reporter presided. Sorry for the confusion, hope you can find out the information you need.
