RE: Bobby P. Ruff v. SCDPPPS(2)
Appellate Case No. 2015-002013

Dear Ms. Jennings:

I'm in receipt of V. Claire Allen, Deputy Clerk letter dated 9/28/15, in which the clerk's office received my notice of appeal, and assigned the appellate case number that appears above.

As you may be aware, I'm scheduled for a parole hearing within a couple of weeks, and I'm respectfully requesting that this appeal be held in abeyance until the decision is made whether or not the board will grant me parole. If not, I will have to appeal the retaliatory parole denial that will have the same issue currently before this Court, whereby the Administrative Law Court has ruled that they do not have subject matter jurisdiction over the matter. Also, in an effort to prevent two (2) appeals, the Court may want to amend the results of the upcoming parole hearing decision God forbid if it is not favorable on my behalf.

Thank you for considering the foregoing, and if you require anything further from me, please do not hesitate to contact me.

Thank you for your cooperation regarding this matter.

Respectfully submitted,

A handwritten signature in cursive script that reads "Bobby P. Ruff".
