Court of Appeals Case No. 2015-001199  
General Session Case No. 2014-GS-30-1477-82

The State, ..... Respondent

v.

Preston Shands, Jr., ..... Appellant.

**Petition for Extension of Time to File Initial Brief  
and Designation of Matter to be Included in Record on Appeal**

---

The appellant, Preston Shands, Jr., petitions this Court for an order extending the time to file his initial brief and designation of matter to be included in the Record on Appeal. This petition is the first request for an extension. This request is based on the following grounds:

1) This appeal, which follows a jury trial, involves convictions for first-degree burglary, attempted murder, kidnapping, possession of a knife during the commission of a violent crime, and assault and battery. The trial court judge imposed live sentences for first-degree burglary, attempted murder, and kidnapping.

2) Having also served as trial counsel, the undersigned is aware of several issues for appeal. Because of the nature of the convictions and sentences, careful briefing and drafting is necessary to prepare the appeal for this Court.

SC Court of Appeals

3) This request is made in good faith and is not intended for delay.

Ms. Shands, therefore, respectfully requests an extension of thirty (3) days to October 28, 2015 to file his Initial Brief and Designation of Matter to be Included in the Record on Appeal.

IT IS SO MOVED.
