Attorney for Appellant

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a one-week extension, out of time, of the time for the filing of the record on appeal and the service and filing of the parties' final briefs in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline for the filing of the record on appeal and the service and filing of the parties' final briefs was yesterday, October 6, 2015.
2. As the court is aware, heavy rainfall and extensive flooding have caused widespread problems in Richland County and surrounding counties over the past few days. While the undersigned and opposing counsel have been blessed to be spared from any serious problems as a result of this, the completion of their final briefs and delivery of those briefs and the record on appeal to printing companies has been delayed as a result of business closures and inability to access counsel's offices.
3. Accordingly, the undersigned moves for an order extending the time for the filing of the record on appeal and the service and filing of the parties' final briefs in this case to October 13, 2015.
4. Opposing counsel consents to the extension sought.

WHEREFORE Appellant prays for an order extending the time for the filing of the record on appeal and the service and filing of the parties' final briefs in this case to October 13, 2015.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'A. S. Radeker', written over a horizontal line.
