SC Court of Appeals

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline for service and filing of Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal is currently October 12, 2015.
2. This is the first extension that the undersigned has sought in this appeal.
3. Appellant's counsel seeks a 30-day extension of this deadline in order to give him time to complete the brief.
4. As the court is aware, heavy rainfall and extensive flooding have caused widespread problems in Richland County and surrounding counties over the past few days. While the undersigned has been blessed to be spared from any serious problems as a result of this, his work on this case and others has been delayed.
5. The undersigned also has a brief due to this court in another appeal on Friday, October 9
6. Appellant's counsel believes there is good cause to grant the requested extension.

WHEREFORE Appellant prays for an Order extending the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal by 30 days.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "A. S. Radeker", is written over a horizontal line.
