Re: RFT Management Co., LLC v. Tinsley & Adams, LLP,  
Case No. 2010175606

Dear Mr. Shearhouse:

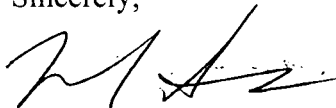

I represent the Appellant in the above matter. On August 29, 2012, Appellant filed a Motion to Supplement the Record on Appeal. That motion identified the specific documents we desire to add to the record and is still pending.

Please be advised that certain of those documents are already in the Record on Appeal, those documents being transcript pages 678, 679, 691, 694, 695, 709, 882-887, 890-894, 896, and 922-23. Thus, the only pages of the Trial Transcript we are seeking to add are pages 888, 889, 895, and 897-921. The remainder of the motion is unchanged.

I've discussed the Motion to Supplement with Respondent's attorney who informed me that he cannot consent to the motion but that he does not plan to file a return to the motion.

Thank you for your attention to this matter.

Sincerely,

Harry A. Swagart, III
