AND

**MOTION FOR A SECOND EXTENSION OF TIME TO FILE
APPELLANTS' INITIAL BRIEF AND DESIGNATION OF MATTER**

Appellants, Norman K. Tiffany, Individually, Brown Trucking Company; and Brown Integrated Logistics, by and through its undersigned counsel, and with the consent of all parties, respectfully request a 21 day extension of time to file the Appellants' Initial Brief and Designation of Matter, which are currently due October 26, 2015. A 21 day extension would result in a new due date of November 16, 2015.

This is the second extension requested since the original deadline in this matter. This request is based primarily on the recent unprecedented weather and flooding in Columbia during the first week of October and its impact personally and professionally on the ability of counsel to fully meet counsel's obligations at this time. Counsel for Appellants have consulted with counsel for Respondents, and both have consented to this request.
