Court:

SC Court of Appeals

I am writing you today because I need to find out just where is your position on my case because as you well know that my Public Defender in my case had no intention on defending me in this matter in which I'm completely innocent that is why he didn't file my direct appeal on time as he said he would to my mother & family on the day of my trial... because they convicted me without evidence nor fingerprints DNA or EYEWITNESSES where is the Due process of Law... And to this day all while I was at Kirkland R&E and here he has not responded to my letters or calls... what am I to do next? I spoke with ^{MRS.} Murdock on Mon. and she is trying to contact him to find out whether or not will this go to lower court or will I get an appeal... or do I need to file a PCR because there are a lot of issues need to be raised, and will this open a door to a civil lawsuit or to set me free? I'd rather be free.. Can you please respond back to me to tell me what to do next.

Thank you for all your help *Shirley McClain*
