Re: John Alexander v. SCDC (3)
Appellate Case No. 2015-001761

Dear Mr. Alexander:

The Court has received the documents filed with your proof of service for your designation of matter. These documents seem to be part of the record on appeal. If this is meant to be the record on appeal you must follow Rule 210 and 267 of the South Carolina Appellate Court Rules. Furthermore, the record is not due at this time. Therefore, the documents are being returned to you.

Additionally, when reviewing your designation of matter it seems you are asking the Court to provide specific documents to be included in the record on appeal. This Court does not have these documents and will not be providing them to you. Furthermore, the record on appeal and its contents are solely the responsibility of the Appellant.

Very truly yours,
