Re: Wells Fargo v. Maggie Boler
Appellate Case No. 2015-001786

Dear Ms. Boler:

This Court has received your notice of appeal. A preliminary review of the order(s) challenged on appeal indicates it might not be appealable.

Accordingly, it is requested that you serve and file a memorandum addressing two issues. First, is the order on appeal immediately appealable; and second, is any appeal from this order now moot. Your response must be served and filed within ten (10) days of the date of this letter. The time limits for perfecting the appeal are held in abeyance pending the Court's consideration of the memorandum.

Very truly yours,
