**Re: Belle Hall Plantation v. John Murray (David Keys)
Appellate Case No. 2014-002018**

Madam Clerk:

In response to the Court's request for a return from Appellants as to Respondent's Motion to Change Caption, Appellants would state as follows:

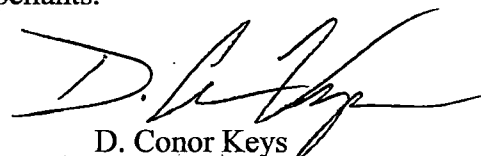

Appellants are in agreement with Respondent that the caption of this matter should be amended to more accurately represent that status of the parties involved.

Appellants would assert that Belle Hall Plantation Homeowner's Association, Inc. should be identified within the caption as Plaintiff.

Appellants would assert that John A. Murray, Trustee of John E. Murray & Gloria C. Murray Family Trust should be identified within the caption as Defendant and Respondent.

Finally, David Conor Keys & Karen Keys should be identified as Appellants. However, Appellants do not believe they should be identified as Third-Party Plaintiffs. Appellants did not originate the underlying action, but rather were Third-Party purchasers as a judicial sale, who did not become a party to the action until after the case had been dismissed and the property sold.

Please let me know if you require anything further from Appellants.
